Disclaimer:

The information provided by Archimedes, LLC "The App" is intended solely for informational and educational purposes and does not constitute financial, investment, legal, or other professional advice.

The App analyzes publicly available data and applies pre-defined algorithms to rate stocks on a scale of 1-10, offering general, impersonal advice that does not consider your personal financial situation, investment objectives, or individual needs. The ratings and analysis are not intended to serve as the sole basis for any investment decision.

No Personalized Advice: Archimedes, does not provide personalized investment advice, financial planning, tax advice, or any service that would require registration as a financial advisor, broker-dealer, or similar entity under applicable securities laws. The App does not recommend any specific stocks, securities, or investment strategies tailored to your unique circumstances. All information and content provided are of a general nature and are intended to be impersonal.

Investment Risks:

Investing in stocks and other securities involves risks, including the potential loss of your invested capital. Stock market investments are inherently volatile and can fluctuate widely in response to market conditions and other factors. Past performance is not a guarantee or indication of future results. Users should conduct their own research, consider their financial goals, and consult with a licensed financial advisor, accountant, or other professional before making any financial decisions based on the information provided by the App.

Accuracy of Information:

While Archimedes strives to provide accurate and up-to-date information, the data and analysis presented may contain inaccuracies, errors, or omissions. The App relies on data from third-party sources that are believed to be reliable; however, we cannot guarantee the

completeness, accuracy, or timeliness of the information provided.

Archimedes is not liable for any errors, omissions, or misrepresentations of information and shall not be held responsible for any decisions made or actions taken based on this information.

Limitation of Liability:

Archimedes and its affiliates, partners, employees, and agents shall not be liable for any direct, indirect, incidental, consequential, special, or punitive damages arising out of or related to your use of the App, including but not limited to loss of profits, investment losses, or any damages resulting from reliance on the information provided by the App.

Amendments to Disclaimer:

Archimedes reserves the right to amend, modify, or update this Disclaimer at any time without prior notice. Any changes will be effective immediately upon posting within the App or on our website. It is your responsibility to review this Disclaimer periodically to stay informed of any modifications. User Acknowledgment: By accessing and using Archimedes, you acknowledge and agree to the terms outlined in this Disclaimer. Your continued use of the App following any changes to this Disclaimer will be deemed acceptance of those changes. If you do not agree with any part of this Disclaimer, you should immediately discontinue using the App.
