Pricing & Plan

Try Archimedes Risk-Free

We want you to feel confident in your choice to use Archimedes, so we offer a **7-day free trial** for all new users. This way, you can explore the platform, try out the stock ratings, create watchlists, and see if Archimedes is the right fit for your investing journey.

Subscription Details

- **Monthly Cost**: $1.99 per month
- **Billing Cycle**: Your monthly subscription charge will begin the day your 7-day free trial ends and continue on that date each month.
- **Cancellation**: You can cancel your subscription anytime, effective for the next billing cycle. However, please note that we do not issue refunds for the current month's subscription.

Our Commitment to Affordability

At Archimedes, we're dedicated to keeping our service accessible to everyone. The $1.99 monthly fee is set solely to cover the basic operational costs of running the platform, so we can continue offering high-quality, reliable stock insights.

User Satisfaction Is Our Priority

Your experience is our top priority, and we're committed to continually improving Archimedes to meet your needs. We're here to help make stock analysis easy, insightful, and beneficial for every user.
